

GREENS GRADE FERTILIZER SGN 90

PRECAUTIONARY STATEMENTS

Wash hands thoroughly after handling. Wear protective gloves/clothing/eye protection/face protection. Use only outdoors or in a well-ventilated area. Avoid breathing dust. Do not eat, drink or smoke when using this product. Take off contaminated clothing and wash it before reuse.

FIRST AID

IF IN EYES:	Rinse cautiously with water for 15 minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists, get medical advice/attention.
IF INHALED:	Remove victim to fresh air and keep at rest in a position comfortable for breathing. Call a Poison Center or doctor/physician if you feel unwell.
IF SWALLOWED:	Rinse mouth. Call a Poison Center or doctor/physician if you feel unwell.
IF ON SKIN:	Wash with plenty of soap and water. If skin irritation persists, get medical advice/attention.

For Chemical Spill, Leak, Fire or Exposure, Call CHEMTREC 1-800-424-9300

STORAGE AND DISPOSAL

Storage: Store in a cool dry area inaccessible to children and domestic animals. Reseal package tightly after each use.

Disposal: Dispose of contents in accordance with local/regional regulations.

Container Disposal: Place empty bag in trash or offer for recycling if available.

SPREADER SETTINGS

These settings are recommendations only. Each user should calibrate their own spreaders for proper application. Your application may vary with ground speed and wear on your spreading equipment. Bulk density, particle size (SGN) and a change in fertilizer analysis will also vary your spreader setting. To calibrate your spreader, place the proper amount of product for 500 square feet into the spreader and apply to your pre-measured 500 square feet (100 feet long by 5 feet wide) and adjust the spreader setting as necessary.

KEEP OUT OF REACH OF CHILDREN

WARNING

Causes serious eye irritation.
Harmful if inhaled.
Harmful if swallowed.
Causes skin irritation.

DIRECTIONS FOR USE

- Apply when turf or foliage is dry.
- Water following application will enhance performance of the fertilizer.
- Slightly overlap application to avoid striping turf.
- Uniform broadcast distribution of this product is essential. Spreaders should be calibrated for accurate and uniform application of this product.
- This product may contain materials that can stain sidewalks, patios, driveways, containers, etc. Sweep or remove immediately after application if product comes in contact with these surfaces to avoid staining.
- Avoid applying targeted areas when air temperatures exceed 85 degrees.
- Avoid applying when weather conditions favor drift from target areas.
- Do not apply near water, storm drains, or drainage ditches. Do not apply if heavy rains are expected. Apply this product only to your lawn and sweep any product that lands on the driveway, sidewalk, or street back onto your lawn.
- Use in accordance with recommendations of a qualified individual or institution, such as, but not limited to, a certified crop advisor, agronomist, university crop extension publication, or apply according to recommendations in your approved nutrient management plan.
- Store the blended fertilizer product in a cool, dry place out of direct sunlight.

LIMITED WARRANTY AND DISCLAIMER

NOTICE: Seller makes no warranty, expressed or implied, concerning the use of this product other than indicated on the label. Buyer assumes all risk of use and/or handling of this material when such use and/or handling is contrary to label instructions.
